

Cherry Champions Campaign & Donation Form

You work hard every day to improve our patients' health and wellbeing. And we thank you! **Your dedication and skills help make Cherry Health strong** and allow us to provide exceptional health care throughout 7 counties at over 20 sites.

Cherry Health Foundation is the fundraising arm of Cherry Health. We raise money that helps Cherry Health **fill unmet needs, test innovative programs, and continue providing access to those with limited resources**. Now, we invite you to join the *Cherry Champions* by making a gift.

"I give because, no matter who you are, what you look like or where you live, health care is a necessity; a basic human need that should be accessible to everyone."

Analiza Mejia Urias, Heart of the City West

Cherry Health Foundation collaborates with Cherry Health to identify opportunities where donor gifts can fill unmet needs. Then we give funds in the form of grants to Cherry Health to help meet those needs. **Cherry Health relies on these funds to help pay for innovative, groundbreaking and some essential programs to serve our patients.**

13,808 uninsured patients were cared for by Cherry Health last fiscal year, of which 81% utilized our sliding fee scale.

Your gift helps us directly support the programs and services that are important to thousands of our patients. Your gift to the *Cherry Champions Campaign* is tangible evidence that you believe in the mission of Cherry Health. It gives Cherry Health the financial flexibility to move that mission forward year by year.
