

**C180.M Medications for Treatment of Behavioral Health  
and Substance Related Disorders**  
*Beginning Level for All (BA)*

**Date/Time:**

Wednesday, June 5, 2019 from 12:00 PM – 1:30 PM

**Location:**

201 Sheldon Blvd. SE, Grand Rapids, MI 49503 in the Grand Cayman Conference Room

**Course Description:**

This course is intended for multidisciplinary providers who work with patients who experience: Behavioral Health, Substance Use Disorders, and/or Co-occurring Disorders. These multidisciplinary providers interact with people who are on a variety of medications for various health conditions. These medications can make it difficult to discern what symptoms may be a manifestation of underlying pathology, medication side effects, or overall medication effectiveness. This course will explore how and where to find out about the many medications that may be prescribed to these consumers. Barriers to medication adherence and strategies to increase patient education and compliance will be discussed. Emphasis on increasing providers knowledge of medications, barriers, and resources to provide the highest level of care to patients possible while honoring the dignity and autonomy of the patients.

**Course Facilitators:**

Brett Gingrich, Pharm D, is the Director of Pharmacy Services at Cherry Health. Brett has been working as a clinical pharmacist with Cherry Health since 2016. Taylor Pettit, LMSW, CAADC is a Trainer within the Workforce Development department. She has been with Cherry Health since 2013 and previously did clinical work as a therapist and case manager within integrated health settings.
