Cherry Health

Strategic Plan

**Quadruple Aim**

- **Improved Population Health**
  - We will ensure access to care to all those who are in the communities we serve.
  - Collaboratively, with other organizations, we will serve at least 80% of the low-income population in the counties we serve.
  - Growth will increase by 2% each year as defined by increased numbers of medical, dental, behavioral health and vision care visits.

- **Improved Patient Experience**
  - We will address the needs of the whole person with a continuum of integrated services to improve the health status of our community.
  - Achievement of clinical measures will exceed 75%.

- **Improved Staff Experience**
  - We will ensure patients experience friendly, respectful, efficient, empathic and timely services in an attractive environment.
  - Patient satisfaction scores will be maintained at a minimum of 92%.

- **Reduced Health Systems Cost**
  - We will be an employer who attracts, retains and values the best staff members, providing a culture of growth and development.
  - Staff engagement results will exceed 80%.
