Please see **Live Interactive Webinar Requirements and Instructions** for additional details

Course Description:

Review of Core Competencies of Addiction Counselors: Knowledge and Skill Acquisition of Screening, Intake, Orientation, Assessment, Treatment Planning, and Counseling is based on content developed by the Pacific Southwest Addiction Technology Transfer Center, UCLA Integrated Substance Abuse Programs and Behavioral Health Collaborating Council. The training content is intended to provide an introduction to IC&RC Alcohol and Drug Counselor (ADC) exam material. This training will focus on the Core Competencies of Addiction Counselors: Knowledge and Skill Acquisition of Screening, Intake, Orientation, Assessment, Treatment Planning, and Counseling in relationship to standard knowledge base expected for the IC&RC exam.

Course Facilitators:

Kayleen DePue, MA, LPC, CCS, CADC, has been working as a Trainer within the Workforce Development department since 2011. Kayleen's career has included providing residential & outpatient case management, counseling and group facilitation; clinical supervision and clinical systems management.

Course Objectives:

Participants who complete this course will be able to:

- Define the terms: Screening, Intake, Orientation, Assessment, Treatment Planning, Counseling
- Recognize the Global Criteria for: Screening, Intake, Orientation, Assessment, Treatment Planning, Counseling
- Describe the importance of using diagnostic criteria
- Identify the ASAM (American Society of Addiction Medicine) assessment domains
- Recall general counseling guidelines

Course Outline:

This course will meet as a Live Interactive Webinar learning opportunity. This course will be a total of **4 hours**; presented in **two 2-hour sessions** including: didactic material and group discussion.

Learning Materials:

This course is primarily a didactic learning structure, though may be sublimated with multiple methods to facilitate learning in individuals with a variety of learning styles. Methods may include lecture with handouts, structured large and small group activities and case studies. Methods may include the use of audio and visual aids to enhance learning.

Assignments/Completion Requirements:

Trainees are asked to actively participate in all course activities including lecture, group discussion and on-line application training. To successfully complete the training participants must:

- Sign-in and sign-out on the attendance log
- Be present for the entirety of the training
 - Enable audio and video on electronic device
- Complete the post evaluation and post-test
 - Return to Workforce Development within 7 days of the training date
 - Receive a passing score of 80% or above

Those who do not meet the requirements for successful completion will not receive credit.

Continuing Education Credits:

4 CEs: MCBAP –Specific Hours; and Professional Development.

Credits and certificate awarded upon successful completion of the course as outline above (**See section: Assignments/Completion Requirements**). Cherry Health employees will receive their certificate via HealthCare Source within one week of the training date. **If due to unforeseen circumstances, Cherry Health does have up to 30 days to provide a Certificate.*
